Packaging, Transport and Storage

- Standard sizes available from stock
- Special sizes or packaging on request

Size	Box content (approx. 60 m ²)
1,600 x 820 mm	46 pieces
1,600 x 1,020 mm	36 pieces
1,600 x 1,200 mm	32 pieces
2,000 x 1,200 mm	25 pieces

TEGLA® Gallery is supplied in transport-safe wooden boxes with acid-free paper liners. In order to avoid humidity between the glass panels, the package is wrapped in plastic foil with a desiccant.

After opening the foil, storage under low humidity is required.

Handling

TEGLA® Gallery is easy to handle.

Cleaning Recommendation

Cleaning is done with commercial glass cleaners.

Caution. Do not use cleaners containing fluorides or hydroxides.
